

## BATTERY RECYCLING

**Please support recycling by dropping off your battery at a drop-off location near you**

Proper battery recycling helps preserve valuable materials and ensures the safety of everyone involved. About 90% of a battery can be recycled! You can drop-off your battery at a nearby Hilti Store or battery B-Cycle drop-off point.

### **Drop off your battery at a Hilti Store**

Our Hilti Stores are happy to accept your battery and send it for recycling. Find the closest one [here](#)

### **Drop off your battery at a B-Cycle drop-off point**

You can find a list of B-Cycle drop-off locations [here](#)

For any additional questions, you can call the  
**Customer Service line at 131-292**

Hours of operation: 7:30 AM - 5:00 PM in your State or Territory, Monday - Friday
